LUXORJET

1. White colour as a background on the whole surface of the acrylic trophy
2. White colour as a background under the colour pixels
3. Slightly transparent colour print (without a white colour)

Tips when preparing the artwork by yourself

LUXORJET

If the coloured background has to reach the edge of the acrylic, extend it beyond the outline of the glass 8 mm on each side.

minimum resolution for illustrations or photos 300 dpi

external outline of the acrylic - TEMPLATE
please do not change the color and thickness of the line

all fonts converted to curves

smallest font used 8 pt

minimum thickness of lines used in the design 0.2 mm

We do not recommend printing the graphics all over because it will completely cover the numbers on the back of the statuette

an area where essential elements should be placed, i.e. text, logo, etc.
